Hi Tom,

R3 did not have anything to add to my draft DuPont bullet in the communication strategy. However, Karen did spot a few errors in the Q&A document. Please let me know if you need anything else on this assignment. Did you want to forward our response to HQ per Cara's email below?

Best wishes,
Heather

Hi Tom,

Thank you for passing along these materials. I am happy to see progress on this effort.

I've drafted a bullet for R5 regarding DuPont in the communications strategy as requested by HQ (it's a bit lengthy). I also have revisions to the Q&A for HQ to consider. I am cc'ing Vicky Binetti and Karen Johnson in the event that R3 would like to share the DuPont bullet and have any suggested revisions to tighten the language.

I appreciate your review and am happy to follow up if further effort is needed.

Best wishes,
Heather
